

Social Distancing for Players & Coaches:

- Players & coaches should take their temperature prior to entering Amend Park
- Any player/coach should stay behind if they have a temperature of 100 degrees or more, body aches & pains, diarrhea or vomiting for no reason.
- Players & parents from the home team will sit on one side of the field while players & parents from the away team will be on the opposite side of the field.
- Teams should wash their hands before & after games.
- Teams are encourage to leave the park between games
- Teams should not mix with athletes from other teams

Social Distancing for Spectators:

- Any spectator should stay behind if they have a temperature of 100 degrees or more, body aches & pains, diarrhea or vomiting for no reason.
- **ALL SPECTATORS ARE ASKED TO WEAR MASKS!!**
- Spectators should be limited necessary family members only.
- Spectators are asked to use 6 ft physical distancing while in bleachers or standing/sitting at the fields.
- Spectators should social distance from other family units.
- Spectators are encouraged to leave the park between games.
- Spectators should not mix with fans or players from other teams.
- Spectators should wash their hands before & after games

Social Distancing Protocols taken by Amend Park & Billings United:

- Restrooms will have marked entrance & exit points.
- Concessions will have designed order/pickup lines.
- Restrooms will be cleaned every 2 hours.
- Equipment will be cleaned between games
- 6 ft social distancing will be enforced at food vendors & t-shirt sale lines.
- Team check-in will be done online vs at the tournament.
- The referee Headquarters will be located outside under a tent.
